## Shrove Tuesday Pancake Supper

The Shepherd of the Hills Men’s Group invites you to their annual Pancake Supper on Shrove Tuesday, Feb. 21, from 5-7 p.m. Come enjoy all-you-can-eat pancakes and sausage served hot and fresh in our fellowship hall. The cost is only \$6.00 for adults and \$3.00 for children ages 6 to 12. Five and under are free.

This year’s event will include a Pancake Flipping Contest, as well as baskets to be raffled. Please see Linda Ritter if you can help with basket donations.

This year’s proceeds will benefit the church’s building accessibility project, such as the curb cut that is needed at the south entrance to make it easier for those with disabilities to enter the building. *Join us and bring a friend!*

## Lent 2012: Giving Is Getting

Ash Wednesday falls on Feb. 22 this year (there will be a worship service at 7:00 p.m.), and the words of Jesus we will hear that night begin his teachings on the way to the cross. On that journey he begins to turn all of our usual ways of thinking upside down. “Whoever wants to be first must be last of all and servant of all,” he says. “Whoever gives you a cup of water to drink . . . will by no means lose the reward,” he says. The God’s eye view of life is always surprising, yet always leads to life. As we walk with Jesus on the way to the cross, here are the themes for Sunday morning worship:

- Feb. 26 - *Giving Is Getting*, Mark 10:17-31
- March 4 - *Whose Is It, Really?*, Mark 12:1-12
- March 11 - *All*, Mark 12:28-34
- March 18 - *She Gave Her All*, Mark 12:38-44
- March 25 - *Losers Are Winners*, Mark 13:1-37

Are you ready to have Jesus rock your world? Living as a disciple of Jesus is always challenging, demanding, yet rewarding in ways we would never have expected. One of our newer hymns captures this reality by repeating the phrase “never be the same.” *The Summons*” (#798, ELW) will be our hymn of the season. It’s final words are very fitting for the Lenten journey: “In your company I’ll go where your love and footsteps show. Thus I’ll move and live and grow in you and you in me.” May you have a challenging, growing, and fulfilling Lent.

## SOUPer Bowl

Help restock Community Helping Ministry’s food pantry shelves on Sunday, Feb. 5.

Shepherd of the Hills will be participating in this national effort called the “SOUPer Bowl of Caring”. The youth will be collecting canned goods and/or monetary donations during worship for CHM. Plan on bringing a donation with you and help put food on the table of our neighbors who are hungry (Matt 25).

CHM will also be hosting their Annual Meeting and Open House on Sunday, Feb. 26 from 1-3 p.m. Stop by and see what they’ve been up to and see how your donations help those in need.

**GATHER Joyfully + GROW Deeply + GO Faithfully**

Happy February  
Members and Friends  
of Shepherd of the  
Hills,

February is, of course, one of our coldest months, a time to avoid those outdoor chores. Chores like working in the garden, and caring for the lawn.

But at Shepherd of the Hills it's a time to fuel the year for growth, the "grow" part of gather, grow, go!

As we've heard from Mark, if we want solid, dependable, long-lasting growth, we need to plant our seeds in good soil.

Mark 4:8 "Other seeds fell into the good soil, and as they grew up and increased, they yielded a crop and produced thirty, sixty, and a hundredfold."

So what seeds or plants are we growing in 2012, and what is our good soil?

Some seeds, or plants are "annuals"; we grow them every year. We grow people into "people of God". The young people grow with the good soil of teachers, confirmation mentors, pastors and loving parents. We not so young people benefit from the good soil of fellowship, adult forum messages, listening to sermons and participating in the life of the church. This is great, because being good soil for someone else turns out to be good soil for you! Kind of a "good soil boomerang" effect.

Some seeds are more like trees; we grow them a little more each year. In 2012 we will continue to grow our missional service to people with disabilities and their caregivers. At least one new branch of the tree will be improving accessibility with a wheelchair curb cut at the south entrance – good soil to welcome more of God's children into his building.

Sometimes the things we grow come along every few years (or decades). This year we get to grow a new pastor. The good soil for this includes a dedicated call committee, along with a congregation which participates faithfully in the call process. I predict it will be another good soil boomerang.

Shepherd of the Hills also has a brand new seed to grow starting this year. Look for, and engage in an opportunity to be good soil for the cancer ministry which is emerging to support patients, family members and loved ones.

So, we might not be out doing SOTH landscaping this month... but we will be improving the good soil into great soil.

Yours in Christ,  
*Bill Johnson*

*"Lord, Let our hearts be good soil."*

## Confirmation

The new confirmation class will be meeting on Sundays led by teachers Candy Travis & Genny Jordan and every other Wednesday at 7:00 p.m. with Pastor Jeff and Connie Adams. The Wed. night meetings for February will be the 1<sup>st</sup> and the 15<sup>th</sup>.

Please remember that regular attendance is a very important part of this journey.

Holy Baptism and Holy Communion are at the heart and core of living as God's people in this world. They are not just habits or rituals, but a daily source of meaning, identity, purpose, and new beginnings. At our short but sweet 7:00 pm Lenten services this year, we will delve into some of the richness of the sacraments and what the catechism teaches concerning them.

Our new confirmation students and their families will present fun and lively skits and will otherwise help to lead the Wednesday night "Soup and Service" gatherings. They will also be looking for help from other people in the congregation. Please consider saying "yes" when you are approached, you won't regret it.

## Good Stewardship

Do you like saving money? Would you like to make your dollars stretch and have even more to share, save or spend? Did you know that only 3% of all coupons printed are ever redeemed? Bring coupons you don't use and exchange them for ones that you will use. There is a coupon exchange box in the fellowship area marked and designed for this. Zsabetta also needs help from time to time with cutting and sorting. For more info, talk to Zsabetta.

## Transition: Calling a New Pastor

I know everyone is anxious to proceed with the call process, as am I. So I wanted to provide some information on the next step to help us all advance on this common goal.

The next big piece is the preparation of the Ministry Site Profile. This is basically a 14-page document telling who we are, where we are heading and what leadership attributes we believe will get us there. The Synod and prospective pastors will utilize the survey in the call process.

The profile will include information about Shepherd of the Hills, items like our demographics, budget, how we fit in our community, and how the community perceives Shepherd of the Hills. Also included will be reflective details about our vision for mission and our leadership needs. Fortunately a great deal of the information has been collected as part of the PMC activity over the last year or so. We have a nice head start.

I ask that we all provide thoughtful and prayerful support of the process, which will likely request congregation-wide surveys.

## A Word from Pastor Jeff

Long ago I learned the significant truth that serving as a pastor of Christ's church is by no means something to be taken for granted, but a great blessing and privilege given to some of us by the call of the Holy Spirit, working through individuals, congregations, and the whole church. I have certainly felt blessed and privileged to begin serving as the intention interim at Shepherd of the Hills. Your welcome to me has been most gracious. You have truly accepted me in this role, which has made and will continue to make the road smoother for all of us as you seek the pastor the Holy Spirit has in mind to walk with you into the future. You have been open to new ideas and new approaches. These are all signs of a healthy community. I have already communicated to the synod that you are a community of servants of Christ who have many committed members, strong leadership, and a very real sense of the presence of the Spirit in your midst. I am sure that the right person will appear for the next stage of your journey.

As interim pastor, my task, in addition to just helping to keep things running as smoothly as possible, is to monitor your progress on the five developmental tasks of the interim period:

- † Coming to terms with history
- † Discovering a new identity
- † Leadership changes
- † Renewing denominational linkages
- † Commitment to new directions in ministry

I will be discussing these issues with the congregation council on a regular basis, and looking for ways to address any issues that might arise. However, as I have already mentioned to several people, SOTH seems to me to be ahead of the game in this process. Your participation in the PMC process has certainly been an important factor in this regard.

As interim pastor, I will have absolutely nothing to do with the call process itself, nor will I be a candidate for the call under any circumstances.

Yours in Christ,

*Pastor Jeff*
